**Purpose**

The signatories to this Statement of Intent agree to provide the leadership, support and resources necessary to successfully implement a Community wide Plan to End Homelessness in Toledo & Lucas County, Ohio.

This Community Alliance and Strategic Effort Plan to End Homelessness (hereinafter referred to as the CASE Plan) incorporates the beliefs that:

1. All individuals and families should have safe, affordable housing that meets their individual and familial needs.
2. The methodology used must be broad and comprehensive and relevant to the Toledo Lucas County area and population incorporating best practices and models. The development, implementation, oversight with annual community review and revision as warranted of a plan is the only viable approach to ending the institutionalization of homelessness.
3. All agencies and mainstream service providers must work as partners to ensure successful, long-term outcomes for individuals and families who are homeless.
4. Prevention programs play a critical role in closing the front door into homelessness. Additional resources must be directed to prevention including focused efforts on developing protocols to address issues of institutional discharges into homelessness.
5. After-care programs for those homeless families and individuals who have transitioned from a homelessness into a permanent housing play a critical role in assuring housing permanency and reduce recidivism into homelessness.
